

Windows Media Player Walkthrough

All things in the following slides
that are highlighted in **BLUE** are
referring to your **SwimP3**.

The screenshot shows the Windows Media Player interface with the 'Library' tab selected. A red arrow points to the 'Library' tab in the top navigation bar. The main area displays a list of songs, including tracks from Mariah Carey's 'Daydream' and 'The Emancipation Of Mimi' albums. The 'Library' tab is highlighted in blue.

This is Window's Media Player. Notice at the top "Library" is highlighted Blue. This is where you can see all of your music.

start Windows Media Player Presentation1 4:41 PM

When you plug in your **SwiMP3** this box will pop up on your screen. This is a process in which **Media Player** can use to recognize your **device**. It is asking you to name the **device**. The default name is MSCN. You can choose to change it or leave it as is. I have named this **SwiMP3**. after you have named it click on finish. The box will disappear.

Windows Media Player - Device Setup

MSCN (235 MB) Configure Sync

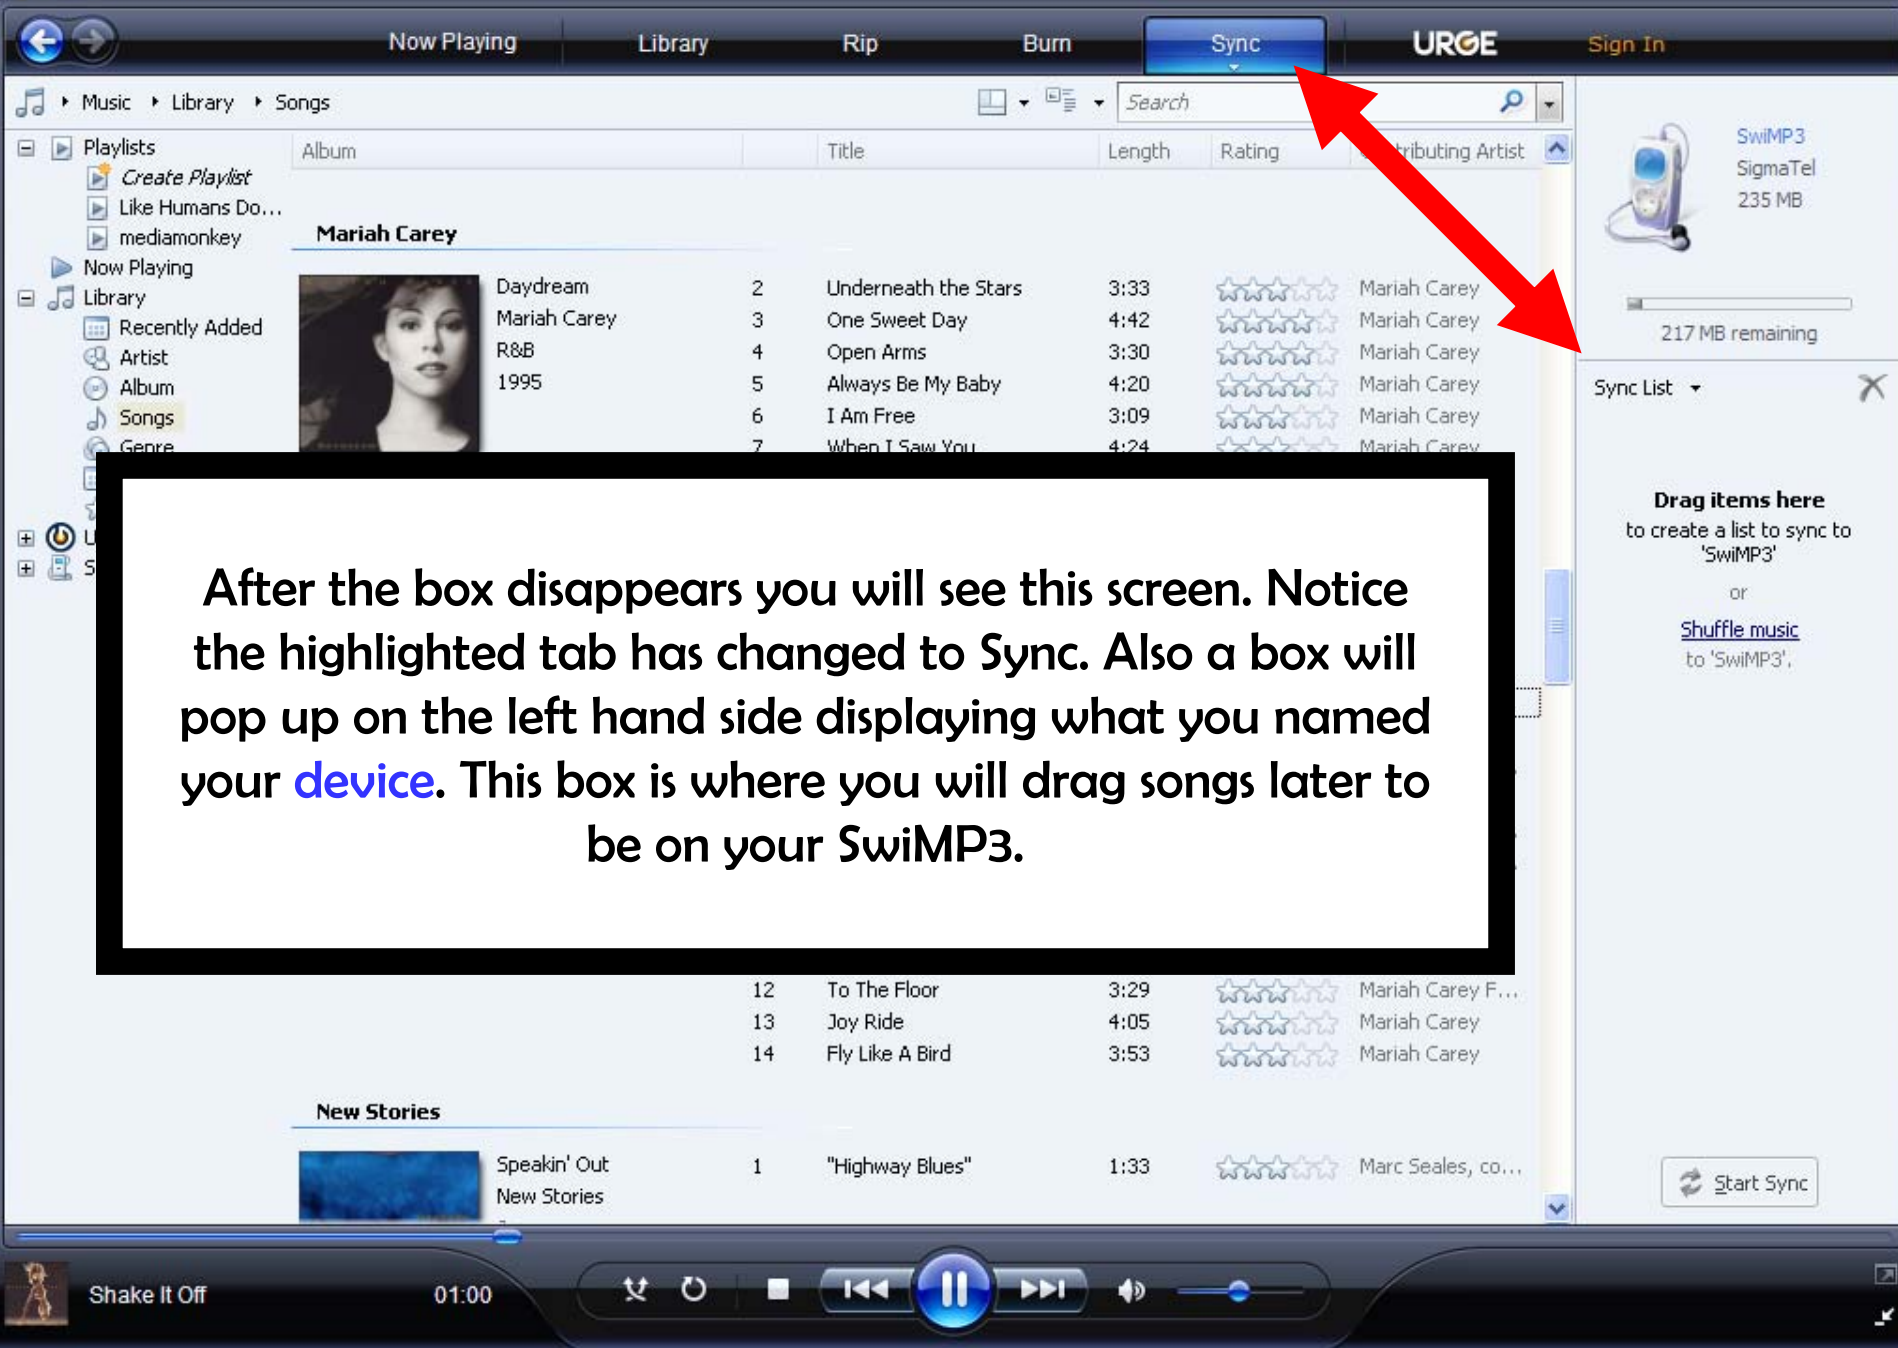

Name your device:

On the Sync tab, create a list of items you want to add to your device, and then click Start Sync. Repeat this step every time you want to update your device.

[What are my options with sync?](#)

< Back Finish Cancel

The screenshot shows the Windows Media Player interface. At the top, there are tabs for 'Now Playing', 'Library', 'Rip', 'Burn', 'Sync', and 'URGE'. The 'Sync' tab is highlighted in blue, and a red arrow points to it. Below the tabs, there is a search bar and a list of songs. The current song is 'Shake It Off' by Mariah Carey. On the right side, there is a section for 'SwiMP3 SigmaTel 235 MB' with a progress bar showing '217 MB remaining'. Below this, there is a 'Sync List' section with instructions: 'Drag items here to create a list to sync to 'SwiMP3'' or 'Shuffle music to 'SwiMP3''. At the bottom right, there is a 'Start Sync' button.
